**PETITION**

Now comes Nextlink Wireless, LLC ("Nextlink" or "Petitioner"), formerly known as Nextlink Wireless, Inc. ("former entity"), by and through its counsel, and hereby petitions the Illinois Commerce Commission ("ICC" or "Commission") to update the former entity's certificates of authority to provide local and interexchange telecommunications services to reflect the changed name of the Petitioner. In the alternative, Petitioner requests that the former entity's certificates be canceled and re-issued in the name of the Petitioner (i.e., Nextlink Wireless, LLC). As set forth below, the former entity has changed its corporate form. Following its change in corporate form, the Petitioner continues to provide telecommunications services to its customers without interruption or change, and in accordance with the same technical, financial and managerial qualifications. In support of this Petition, Nextlink states the following:

1. Petitioner's business address is:

Nextlink Wireless, LLC  
13865 Sunrise Valley Drive  
Herndon, VA 20171

2. Petitioner's contacts for regulatory, billing and emergency matters are:

Kelly Faul  
Nextlink Wireless, LLC

Herndon, VA 20171

and

3. The former entity was previously granted certificates of authority to provide interexchange and local exchange services in ICC Docket No. 05-0817.
4. The Petitioner is authorized to do business in the State of Illinois as a limited liability company as set forth on Exhibit 1, attached hereto. Petitioner will maintain the same Federal Employer Identification Number as formerly used by the former entity.
5. At the appropriate time upon Commission approval of this Petition, the Petitioner will file replacement copies of the former entity's effective tariffs to reflect the change in corporate form.
6. Any failure to seek prior approval for the conversion was an oversight and not intended to avoid or impede the Commission's authority or jurisdiction.
7. Petitioner's management and financial and technical qualifications remain the same as for the former entity. Petitioner requests that the Commission take into consideration the qualifications of the former entity in support of its Docket No. 05-0817 application and apply those same qualifications to the Petitioner. As may be appropriate, Petitioner requests that the Commission take administrative notice of the record developed in Docket No. 05-0817.
8. Petitioner requests that the Administrative Law Judge and the Commission grant this Petition without hearing on an expedited basis.
9. Based on the foregoing, Petitioner requests that the Commission update the former entity's certificates to reflect the new name, Nextlink Wireless, LLC, or, in the alternative

that the former entity's certificates be canceled and re-issued with the same authorizations and relief previously granted in the name of the Petitioner.

Wherefore, the Petitioner, Nextlink Wireless, LLC, respectfully requests that the Commission enter a Final Order granting approval retroactively for the changes in form described in this Petition and to authorize the Petitioner, retroactively, to take all necessary actions to accomplish the transactions above described and to grant such relief as described above without hearing.

Dated: March 7, 2013.

Respectfully submitted,

Nextlink Wireless, LLC
